Free SELF-GUIDED Tour of High-Performance Homes in the Triangle

Discover how a certified green home delivers comfort, savings, durability and a healthy living environment.

APRIL 27-28 and MAY 4-5 » NOON-5PM

Our Green Home Tour features innovative, high-performance and unique homes in various stages of construction. A green building professional greets guests at each tour home to answer questions and detail specific green features. No sign-up or tickets needed; this is a free self-guided tour. Use the website, app or tour guidebook to determine your route and visit the homes you would like to see. **FREE TOUR GUIDEBOOKS** available at Triangle Harris Teeter stores in late April. Additional locations are listed on our website: **SPRINGGREENHOMETOUR.COM**. For more information, please call 919-493-8899.
